LEGALIGENCE VALUE

LEGALIGENCE STRATEGIC CONSULTING LLP™

Legaligence Strategic Consulting is a strategic risk management firm founded by industry veterans with a singular goal of providing Credible, Relevant and Timely INTELLIGENCE and Due Diligence to our valued customers and radically increase the odds of success for them.

Our Enterprise Risk Management Framework focusses on risks associated with Tangible Critical Assets and enable our customers to monitor, measure and control the risks to meet their business objectives.

❖ LEGALIGENCE RISK MANAGEMENT FRAMEWORK HELPS ANSWER BUSINESS QUESTIONS

Coverage	All the risks to our business strategy and operations
Risk Appetite	Ability and willingness to take risk
Governance Policies	How do we govern risk taking?
Data and Infrastructure Risk	How to capture the information needed to manage these risks?
Control Environment	How to control the risks?
Measurement, Evaluation	How to know the size of the various risks?
Response	What are we doing about these risks?
Stress Testing	What possible scenarios could hurt us? Study of interrelated risks
